

Gleneagles Harvest Festival Student Photography Contest

Call for Entries

Snap some pictures and enter your best ones in the Student Photography Contest! The winning photos will be displayed in the school. All the photos entered will be on display at our Fall Family Harvest Festival on Friday October 14.

The rules are simple. The photo must be taken by you, the student. Photos can be taken with film or digital cameras. To enter, print your photo and mount it on an 8.5 x 11 piece of paper the color of your choice. Under your photo, write your full name, grade, the category you are entering and a sentence or two telling us about your photo, i.e. where it was taken and what inspired you.

The pictures will be judged on things like creativity, use of light, composition and originality. They will be judged by Dale Roth of "Roth and Ramberg Photography". All student names will be hidden during the judging to ensure fairness. He will be choosing two winners in each category. One from primary and one from intermediate. Honorable mention will also be given to deserving photographs.

The 5 categories are:

Abstract

Animal

People

Action

Landscape (Urban or Natural)

All entries must be received in the school office by the end of the day on Tuesday October 4th. You can enter more than one photo but only one per category please.

Looking forward to seeing what the budding photographers of Gleneagles will capture!
